Data Quality Rules

Define and manage data quality rules for automated validation across your data pipelines.

Total Rules: 1000 | Active: 1000 | Inactive: 0

Rule ID	Name	Dataset	Dimension	Severity	Status
1	Email Format Check	Customer Master Data	Validity	Critical	Active
2	Mandatory Field Check	Product Catalog Data	Completeness	Critical	Active
3	Unique Customer ID	Customer Master Data	Uniqueness	Critical	Active
4	Phone Number Format	Customer Master Data	Validity	Critical	Active
5	Date Range Validation	Transaction Data	Validity	Critical	Active
6	Price Positive Check	Product Catalog Data	Validity	Critical	Active
7	Address Completeness	Customer Master Data	Completeness	Critical	Active
8	Product SKU Uniqueness	Product Catalog Data	Uniqueness	Critical	Active
9	Order Amount Consistency	Transaction Data	Consistency	Critical	Active
10	Supplier Name Standardization	Supplier Data	Consistency	Critical	Active
11	Inventory Quantity Check	Inventory Data	Validity	Critical	Active
12	Customer Age Validation	Customer Demographics	Validity	Critical	Active
13	Product Category Mapping	Product Catalog Data	Consistency	Critical	Active
14	Transaction Timestamp Order	Transaction Data	Consistency	Critical	Active
15	Supplier Contact Completeness	Supplier Data	Completeness	Critical	Active
16	Product Weight Positive	Product Specifications	Validity	Critical	Active
17	Customer Gender Consistency	Customer Demographics	Consistency	Critical	Active
18	Product Dimensions Consistency	Product Specifications	Consistency	Critical	Active
19	Supplier Rating Range	Supplier Data	Validity	Critical	Active
20	Product Description Length	Product Catalog Data	Validity	Critical	Active
21	Customer Publication Consent	Customer Preferences	Completeness	Critical	Active
22	Product Publication Status	Product Catalog Data	Consistency	Critical	Active
23	Supplier Country Code	Supplier Data	Validity	Critical	Active
24	Product Publication Date	Product Catalog Data	Validity	Critical	Active
25	Customer Publication Preferences	Customer Preferences	Consistency	Critical	Active
26	Product Publication Consistency	Product Catalog Data	Consistency	Critical	Active
27	Supplier Publication Status	Supplier Data	Consistency	Critical	Active
28	Product Publication Completeness	Product Catalog Data	Completeness	Critical	Active
29	Customer Publication Consent Date	Customer Preferences	Validity	Critical	Active
30	Product Publication Quality	Product Catalog Data	Validity	Critical	Active
31	Supplier Publication Completeness	Supplier Data	Completeness	Critical	Active
32	Customer Publication Preferences Completeness	Customer Preferences	Completeness	Critical	Active
33	Product Publication Consistency Check	Product Catalog Data	Consistency	Critical	Active
34	Supplier Publication Quality	Supplier Data	Validity	Critical	Active
35	Customer Publication Consent Validity	Customer Preferences	Validity	Critical	Active
36	Product Publication Completeness Check	Product Catalog Data	Completeness	Critical	Active
37	Supplier Publication Consistency	Supplier Data	Consistency	Critical	Active
38	Customer Publication Preferences Consistency	Customer Preferences	Consistency	Critical	Active
39	Product Publication Quality Check	Product Catalog Data	Validity	Critical	Active
40	Supplier Publication Completeness Check	Supplier Data	Completeness	Critical	Active
41	Customer Publication Consent Completeness	Customer Preferences	Completeness	Critical	Active
42	Product Publication Consistency Validation	Product Catalog Data	Consistency	Critical	Active
43	Supplier Publication Quality Check	Supplier Data	Validity	Critical	Active
44	Customer Publication Preferences Validity	Customer Preferences	Validity	Critical	Active
45	Product Publication Completeness Validation	Product Catalog Data	Completeness	Critical	Active
46	Supplier Publication Consistency Check	Supplier Data	Consistency	Critical	Active
47	Customer Publication Consent Consistency	Customer Preferences	Consistency	Critical	Active
48	Product Publication Quality Validation	Product Catalog Data	Validity	Critical	Active
49	Supplier Publication Completeness Validation	Supplier Data	Completeness	Critical	Active
50	Customer Publication Preferences Completeness Check	Customer Preferences	Completeness	Critical	Active
51	Product Publication Consistency Check	Product Catalog Data	Consistency	Critical	Active
52	Supplier Publication Quality Validation	Supplier Data	Validity	Critical	Active
53	Customer Publication Consent Validity Check	Customer Preferences	Validity	Critical	Active
54	Product Publication Completeness Check	Product Catalog Data	Completeness	Critical	Active
55	Supplier Publication Consistency Validation	Supplier Data	Consistency	Critical	Active
56	Customer Publication Preferences Consistency Check	Customer Preferences	Consistency	Critical	Active
57	Product Publication Quality Check	Product Catalog Data	Validity	Critical	Active
58	Supplier Publication Completeness Check	Supplier Data	Completeness	Critical	Active
59	Customer Publication Consent Completeness Check	Customer Preferences	Completeness	Critical	Active
60	Product Publication Consistency Validation	Product Catalog Data	Consistency	Critical	Active
61	Supplier Publication Quality Check	Supplier Data	Validity	Critical	Active
62	Customer Publication Preferences Validity Check	Customer Preferences	Validity	Critical	Active
63	Product Publication Completeness Validation	Product Catalog Data	Completeness	Critical	Active
64	Supplier Publication Consistency Check	Supplier Data	Consistency	Critical	Active
65	Customer Publication Consent Consistency Check	Customer Preferences	Consistency	Critical	Active
66	Product Publication Quality Validation	Product Catalog Data	Validity	Critical	Active
67	Supplier Publication Completeness Validation	Supplier Data	Completeness	Critical	Active
68	Customer Publication Preferences Completeness Check	Customer Preferences	Completeness	Critical	Active
69	Product Publication Consistency Check	Product Catalog Data	Consistency	Critical	Active
70	Supplier Publication Quality Check	Supplier Data	Validity	Critical	Active
71	Customer Publication Consent Validity Check	Customer Preferences	Validity	Critical	Active
72	Product Publication Completeness Check	Product Catalog Data	Completeness	Critical	Active
73	Supplier Publication Consistency Validation	Supplier Data	Consistency	Critical	Active
